## FCC Form 481, Line 1210: Terms and Condition for Lifeline Customers

## Lifeline Telephone Assistance Program

Financial assistance through the Lifeline program is available to help eligible Iowans afford and maintain basic telephone service. Lifeline participation enables Iowans to stay connected to jobs, family, community resources, and government and emergency services. Lifeline is a federal government program that assists qualified Iowans by providing a monthly credit of \$9.25 on the local telephone bill.

The Lifeline program has recently been streamlined by the Federal Communications Commission. Lifeline benefits are now limited to one wire line or wireless phone per qualified household. Households currently receiving more than one Lifeline service must select a single Lifeline service provider and de-enroll from the program with any other provider(s).

A Lifeline <u>application form</u> is available from your local telephone service provider, the Iowa Utilities Board, or most <u>Community Action Agencies</u> in the state. To apply, simply complete the application form and then return it to your chosen participating provider. Additionally, residents of Tribal lands who are eligible for Lifeline, should check with their local telecommunications provider to inquire about additional benefits, including potential Link-Up telephone-installation benefits.

Information about the <u>number of customers receiving Lifeline assistance</u> is reported by each Iowa telephone company. For more information, call the Iowa Utilities Board (IUB) toll free at 1-877-565-4450, or visit www.fcc.gov/lifeline or www.usac.org

Number of local minutes provided: Unlimited local calling

Additional charges for toll calls: Toll calls are billed at carriers' standard rates
